

March Meeting of the Jefferson County

Photo Club

Posted by [@KR Photography](#)

The Jefferson County Photo Club held its monthly meeting on Tuesday, March 21, 2017, We started the discussion based on the list of questions that was sent out regarding what do we want to see as a club. The two stands out from the email was to continue with critique sessions and field trips. What kind of field trips would the group like to do? Meeting locally to shoot and gather for snacks is one type of idea discussed. Going to Frederick or Hagerstown for trips as well. We would also like to see a speaker come in once in a while to give talks on things that interest us.

For the next meeting, please make sure to bring your dues if you haven't paid yet. Our next assignment, *April Showers – Puddles, Reflections, Rain, etc.* Your interpretation. Bring both a color version and black & white version of your photo. Also, come with ideas for shoot outs. Bring your top 3 choices.

Dan Smith mentioned that on April 7 dedication of Charles Town Hall. Could we possibly pass out information to join the club? There is still talk about the photo club being able use space at the new hall, but we may not know this for a very long time.

Dan also mentioned on April 8 there will be a Fun Run in Shepherdstown, approx. 400 runners, good possible fundraising event with the Antietam Photo Society. See separate email sent to the club a couple days ago.

Since Rip could not attend, Kelly mentioned that there will be the Fourth Annual Juried Photography Exhibit June 28 – August 12, 2017. The deadline for entries is May 22, 2017. The them for the exhibit is open and open to all photographers without restriction to technique. For more information, please visit the Berkeley Art Works website at www.berkeleyartswv.org.

Dan Smith asked about doing another display at the Four State Real Estate office. Melanie is going to reach out to see if there is something we can do. The rest of the evening was spent looking at the photos from the assignment – Signs of Spring.
