

Jefferson County Photography Club

Minutes

September 5, 2021

In attendance: Mary Jo Bennet, John Kracke, Doug Allmond, Mike Keefer, Cherie Casari and Alice Newton. Rip Smith and Eric Whitenton joined the group via Zoom.

Mary Jo thinks cooler weather would be better for our field trip to the Planning Mill at Summit Point.

Doug has made contact with the director at Summit Point. He is excited that the Club will come take pictures and hopefully have some to share. There are several opportunities for some interesting shots. November 11 is the Turkey Run.

Eric Whitenton wanted us to check out a web site, Gear Focus, which is a site for used equipment. Another large company site is KEH.

The remainder of the meeting was devoted to the upcoming exhibit at the Heiler Gallery.

October 11 - Alice Newton will make cards for each photo. Get info to her no later than Monday. Earlier is better. aliceanewton@frontier.com

Name of your image

Your Name

Price or NFS (not for sale)

October 12 - Everyone is to bring their framed pieces to the Club meeting on Tuesday

Recommendation: Black frame and black or white mat
